The Times We Left Behind

Tim Wolsleben

Tim,
to a basically good guy, ha ha, who I've liked ever since you came to this school. Seems like whenever both of us are at a party, one of us has to call dinosaurs, like at my B-day party + Jake's parents' party- so I guess we've both had a lot of fun here at spits and now that we are seniors, we have to have bucu-fun, maybe raise a little hell? Maybe sometime we'll have to jam again a Johns if I can stand it, eh? I'm going to be a nonconformist and not write all that garbage about good-luck this because that's just a waste of time.

IN MEMORIAM
Allan William Mamot

(1963-1980)

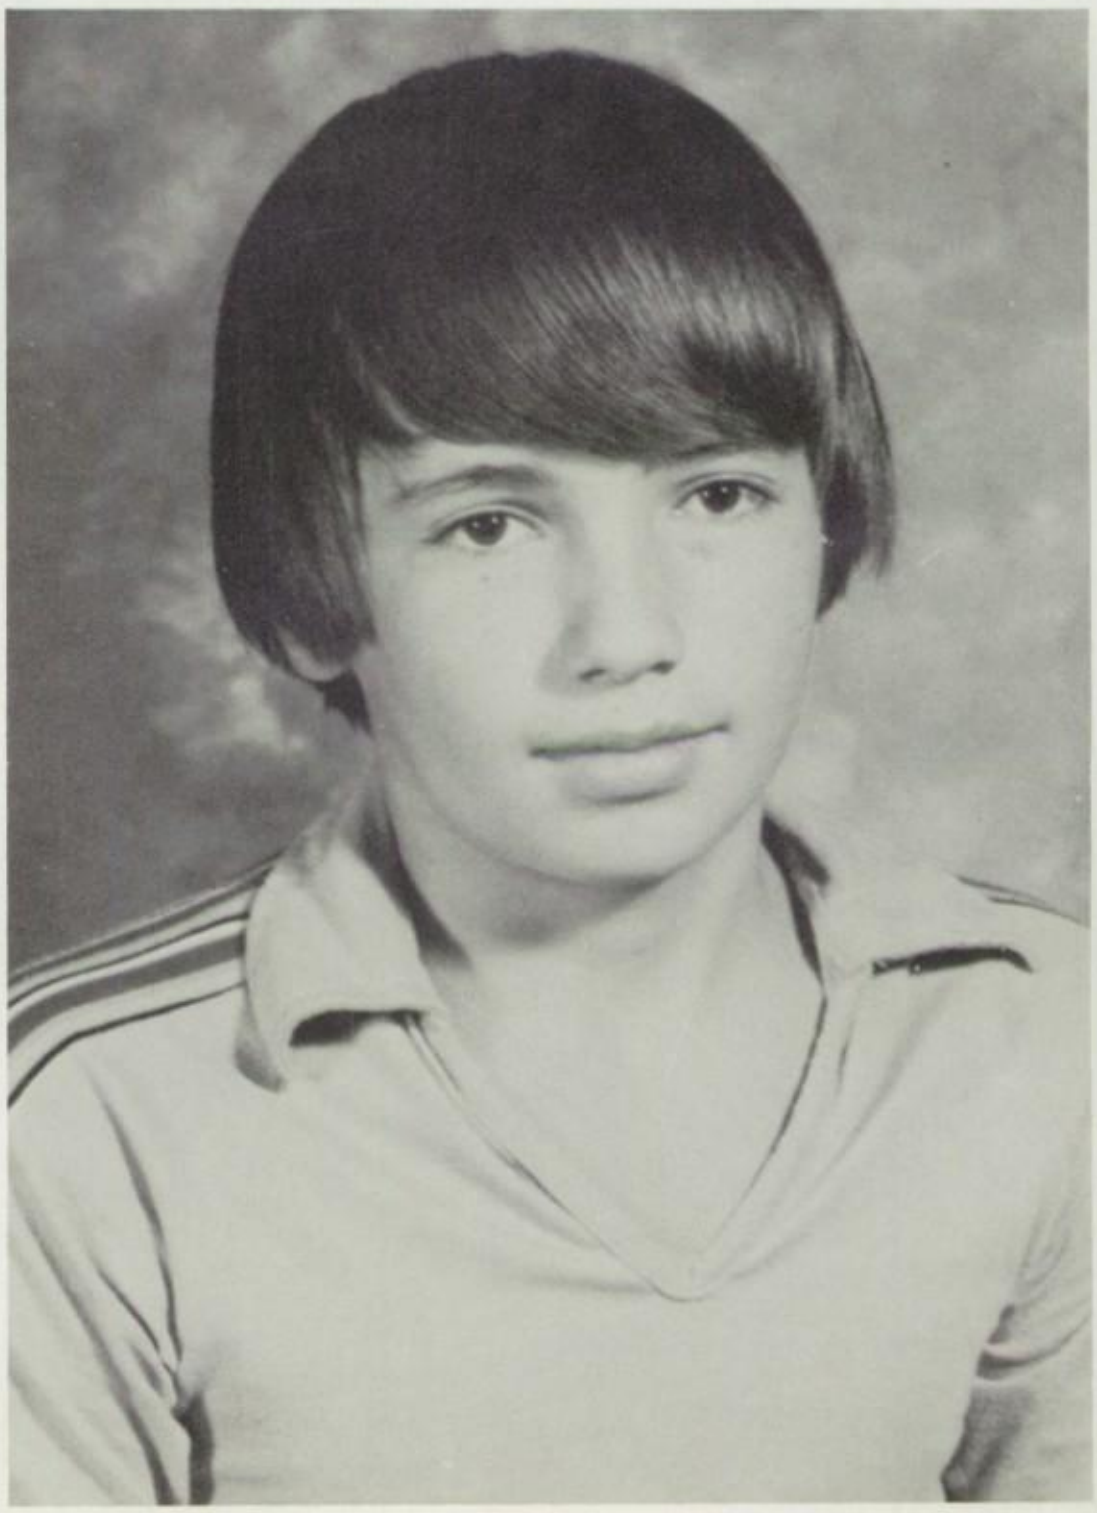
To every thing there is a season,
and a time to every purpose under the heaven;

A time to be born, and a time to die;
a time to plant, and a time to pluck up
that which is planted;

A time to kill, and a time to heal;
a time to break down, and a time to build up;

A time to weep, and a time to laugh;
a time to mourn, and a time to dance . . .

Ecclesiastes 3:1-4



Cristina Jimenez Munoz

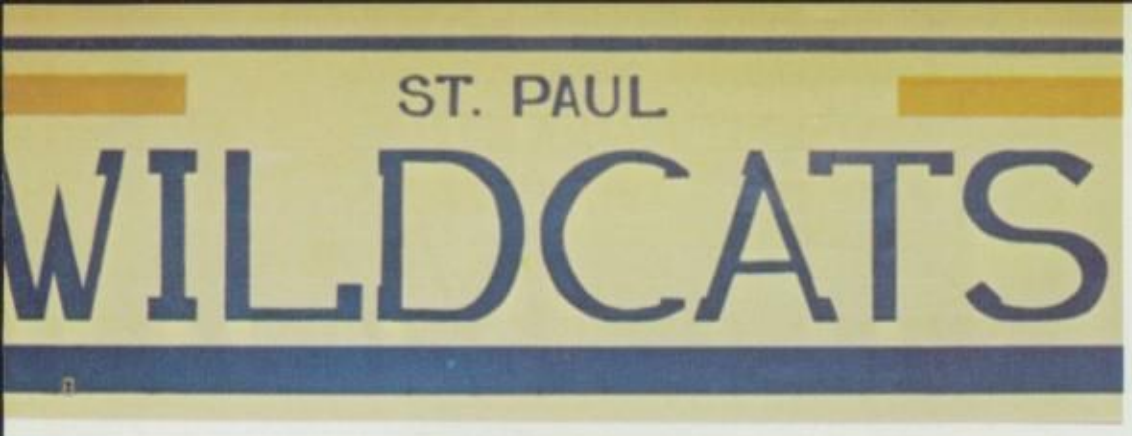
1980-81 foreign exchange student

Mr. and Mrs. Larry Lukasiewicz had two senior daughters this year, and they weren't twins! Besides their own daughter Linda, they were the guardians of Cristina, who comes from the Canary Islands.

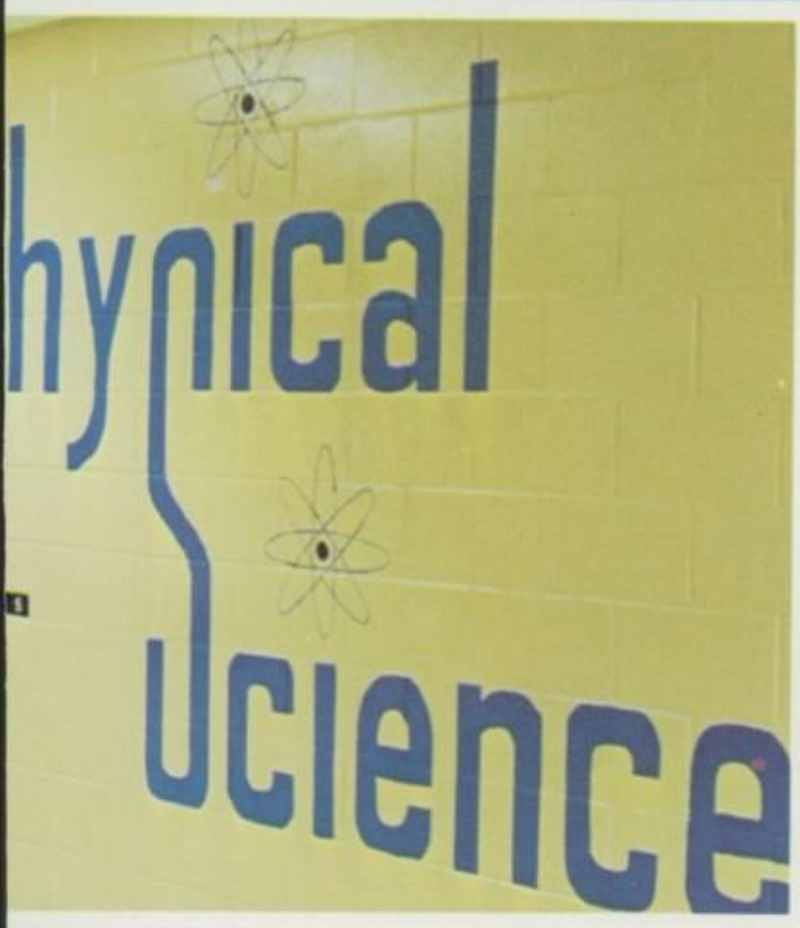
She stayed from the summer of 1980 to the summer of 1981. Some of the new things which Cristina experienced and enjoyed while here were: going to football games, dressing up for Halloween, and stringing popcorn for Christmas decorations.

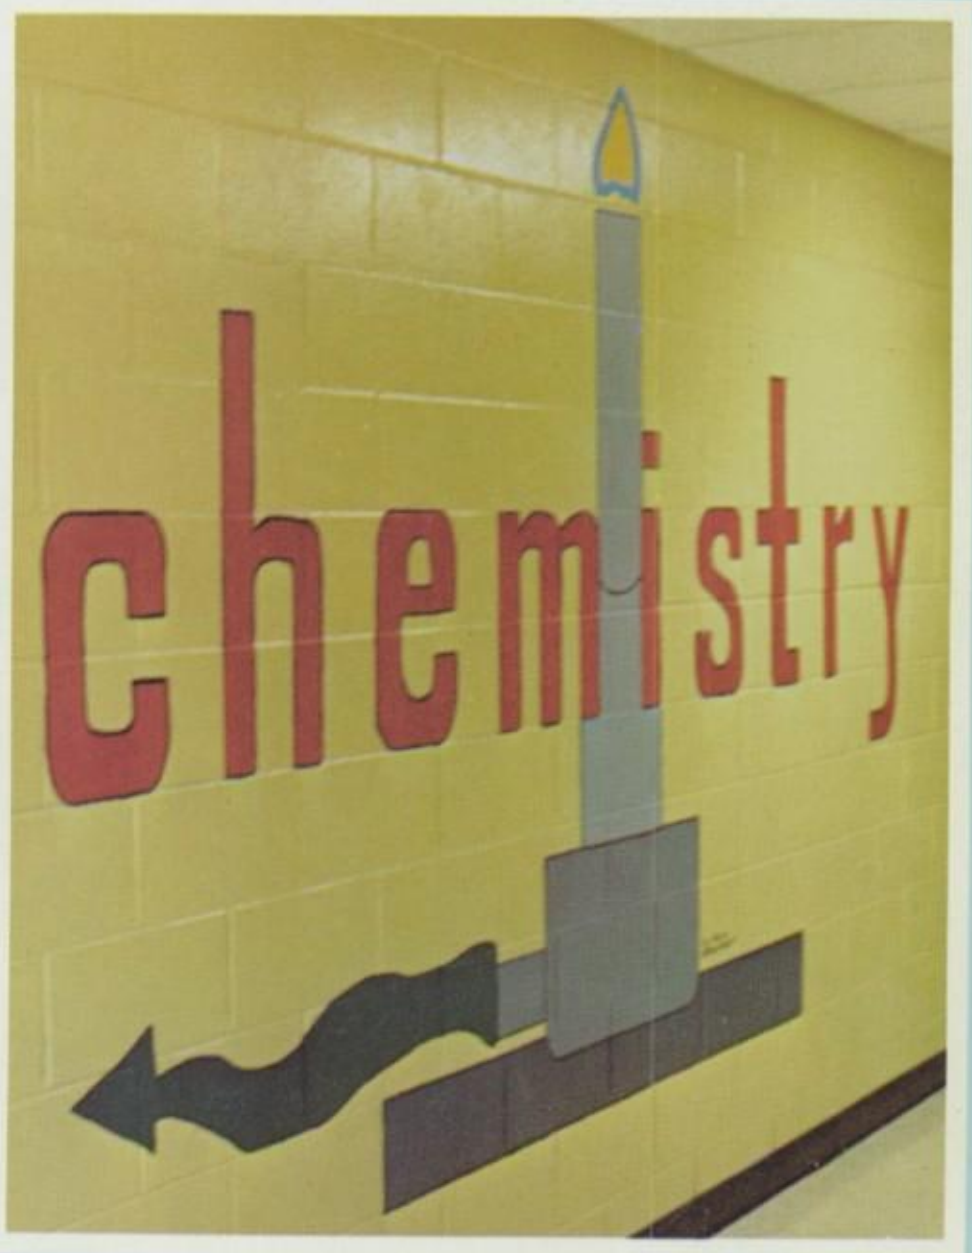
Many other American sites got a sampling of Cristina's warm personality. The family visited OPRY LAND in Nashville, drove through St. Louis, and during the summer of 1981 Cristina and some friends toured the western U.S. with YFU (Youth For Understanding).

Cristina saw and did lots of interesting things while here, and everybody who knew her enjoyed her stay and wished she could have stayed longer.



The 1980-81 school year was a time of changes. With the new addition to the school, the art classes, under the supervision of Mr. Schmaljohn, brought a new look to the once drab and lifeless halls of SPHS.





The science areas were graced with two new paintings in its halls. The band room can be found easily by following the arrow of notes. Anyone who enters the cafeteria will know we're the Wildcats of St. Paul!

You are looking at the graduating class of 1981. It's hard to believe how these innocent faces have changed. If you match up the numbers here with those on their senior pictures, you won't believe it! Can you find your former classmates?

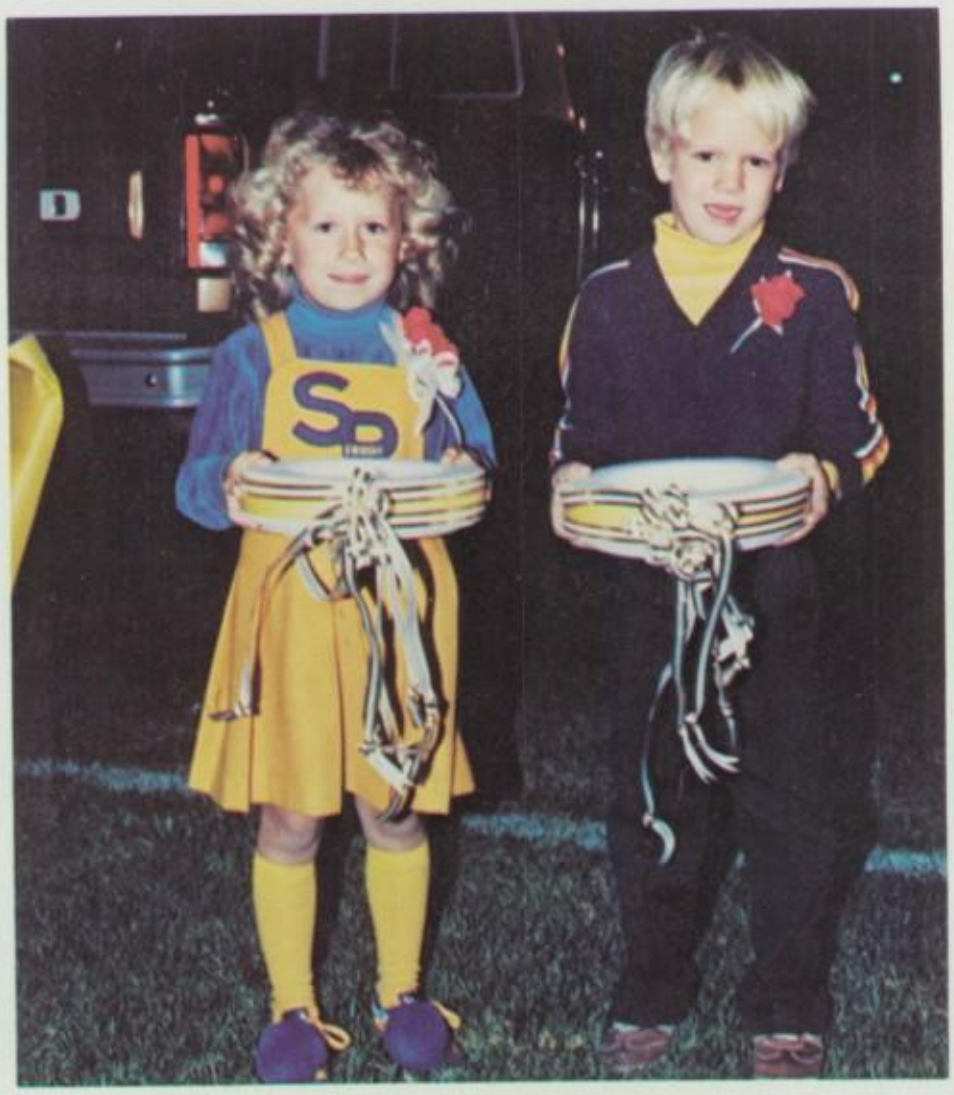
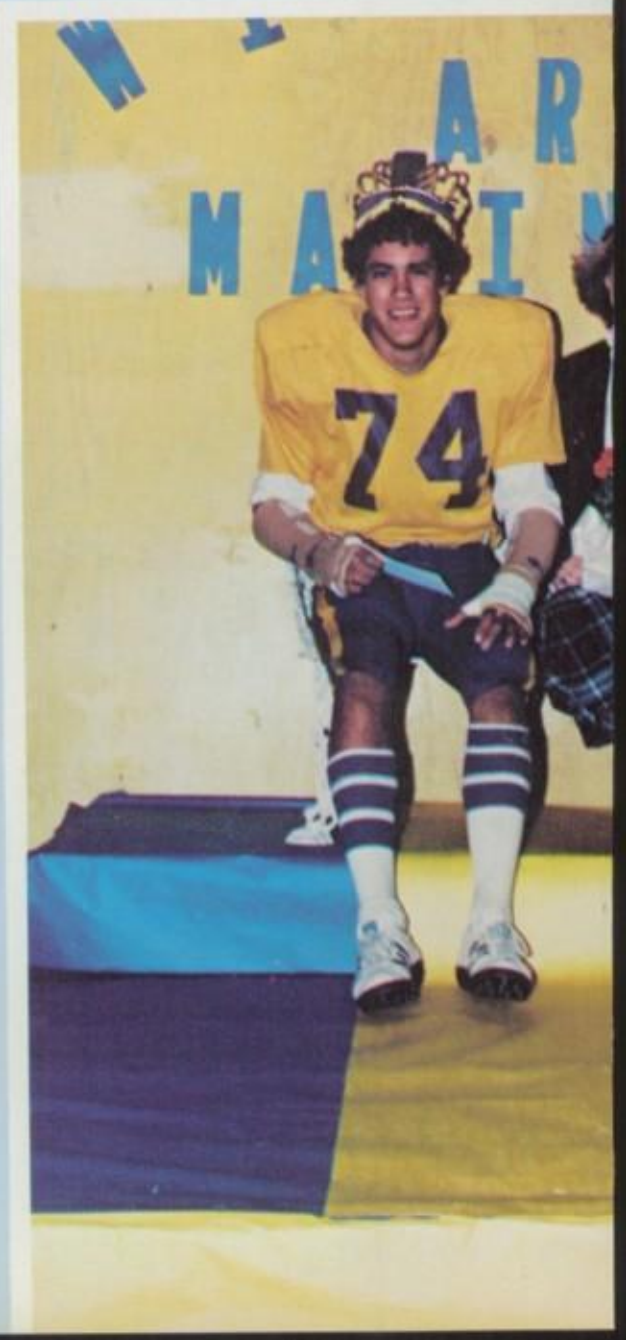
HOMECOMINC



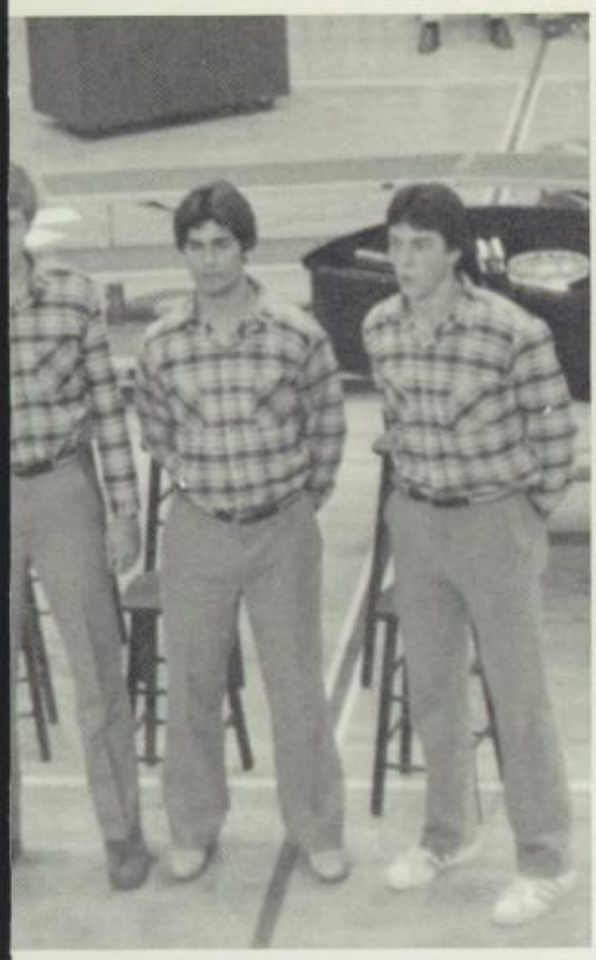


ROYALTY

The Wildcats are Makin' It

A roaring crowd, hoarse cheerleaders, and a breathless band were all part of the tenth annual SPHS Homecoming on October 3. The Wildcats were defeated by the Loup City Raiders in an excitement packed overtime game, ending with the disappointing score of 18 to 19. But, the Wildcats were really "Makin' It" with pride and spirit that night. Chosen as the Royal King and Queen were Don Scarborough and Pam Wissing. Crownbearers were Dayla Mamot and Ryan Jarecke. The royal couple was crowned by 1979 King and Queen Mark Mayberry and Lisa Rose. First runners-up were Robert Hammack and Lynn Rose. Second runners-up were Terry Switzer and Lisa Powell. The Homecoming celebration was concluded with a dance at the Legion Hall with "Eric's Disco." It was a memorable evening for all, which is proof enough that "The Wildcats are Makin' It."

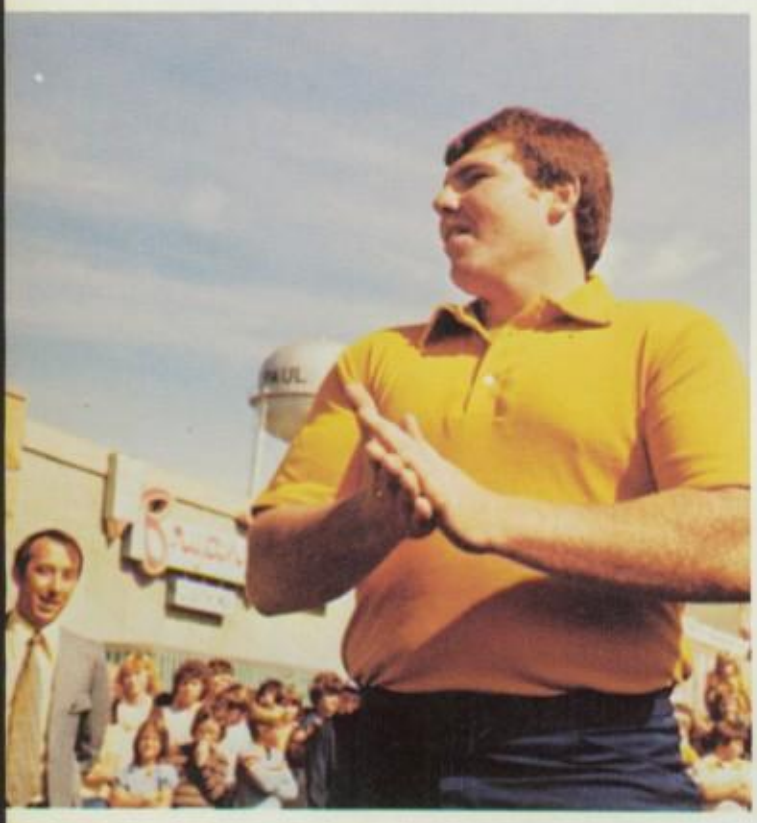
December 23 was the date of the annual Christmas Convocation, which consisted of entertainment provided by the students. Many of the teachers decorated their rooms for a contest held by the student council. Pam Wissing presented a plaque to Mrs. Pierce for having the best decorated room, but she gave the credit to her 7th and 8th grade classes. Another contest was the "Who Shot J.R." contest sponsored by the journalism class. The plaque was awarded by Chuck Zabka to Paul Olsufka, one of those who guessed correctly. The Men's Quartet, Swing Choir, Triple Trio, and both Choruses sang various Christmas songs. Both the Senior and Junior High Bands entertained the audience with traditional Christmas songs such as "Rudolph, the Red-Nosed Reindeer" and "I'll Be Home for Christmas." The student council put on a skit called "Twas the Night Before Christmas" with Rick Jarecke as Santa Claus. The convocation ended with the traditional song "White Christmas" performed by the Senior and Junior High Bands.



SPIRIT WEEK

During the week of Homecoming the students and faculty got the chance to have some fun and show their spirit. The student council sponsored Spirit Week, when the students dressed differently each day. Monday started with "Big Red" day to support the Nebraska Cornhuskers. A lot of strangers appeared on Tuesday which was "Grub and Mask Day." Wednesday was "Cowboy and Indian Day." Everybody looked sophisticated on Thursday, which was "Dress Up Day" and Friday was the traditional "Blue and Gold Day." Other activities included float building and window decorating, with the parade and pep rally held up town on Friday afternoon.

Smiles, everyone! "You never know who may be watching," say the 1980-81 cheerleaders.



During the pep rally Coach Kruger tries to explain the right way to clap your hands to Coach Crowch.

The sophomore class float placed 1st in the float decorating contest.

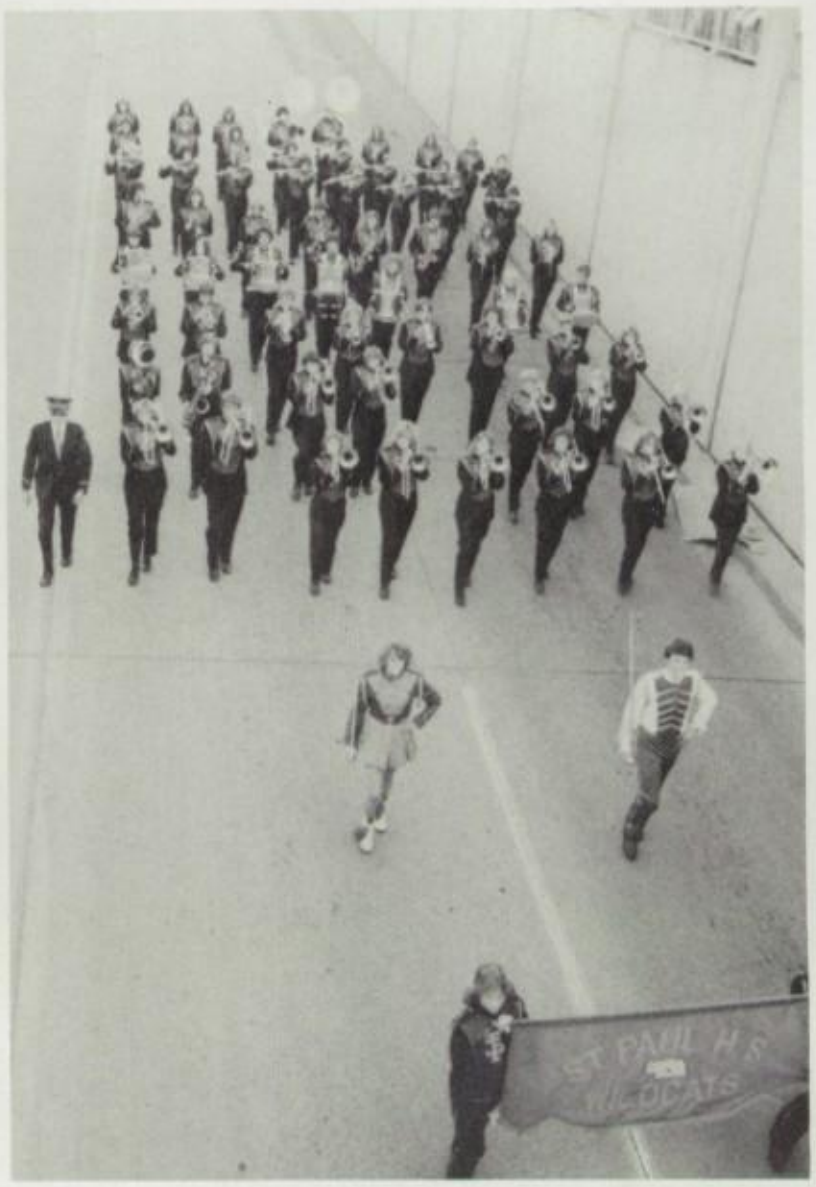
Spirit Simon (Kim Nowak) finds an easy way to eliminate her contestants. (Mr. Aspregren, I hate to tell you this, but your ear is not the same as your nose!)

The Wildcat Football Team—They're Big and Awesome!!

Are you sure this is SPHS? or Are we on a funny farm?

Mr. Aspregren and Mr. Crouch—Buddies for life!?!

We've Got The Queen!



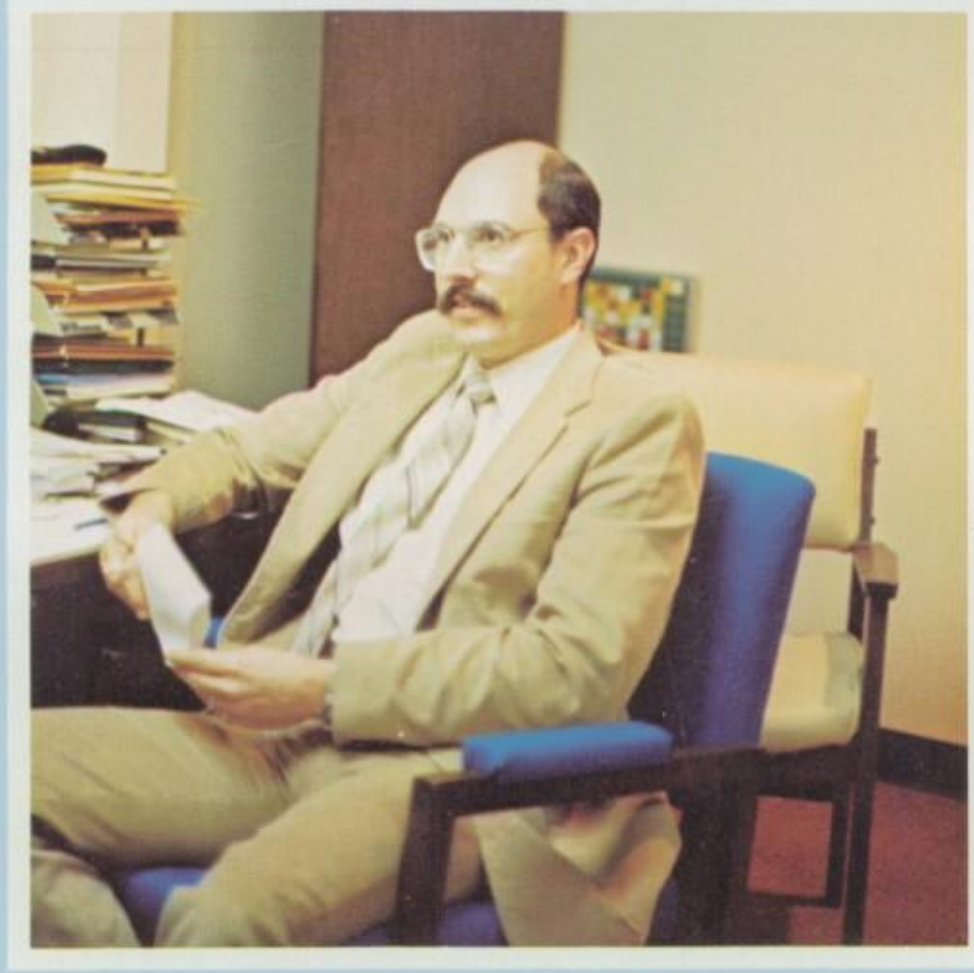
The 1980 Harvest of Harmony parade was exceptionally rewarding to bandsmen and senior classmates because our own Lori Jepson was crowned queen. The Wildcat Band went down to Grand Island on October 4 to greet their queen with great excitement. They marched the streets of the city while playing "Dear Ole Nebraska," "Everything's Coming Up Roses," and "No Business." It was quite the day for Lori and everyone who took part in her crowning and the other Harvest of Harmony festivities.

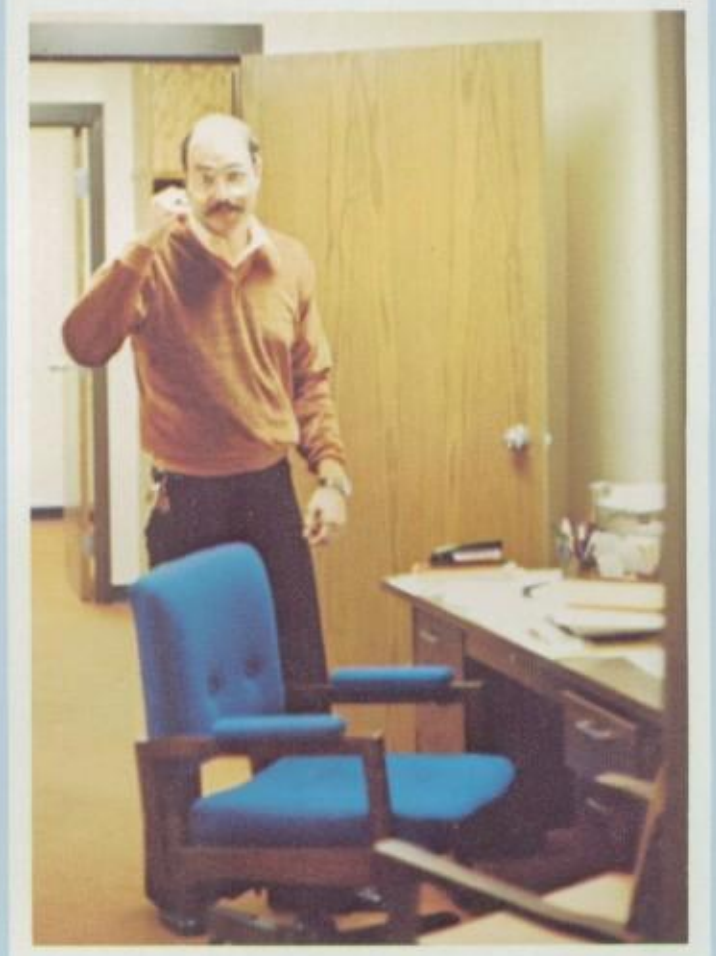
The Times We Left Behind . . .

. . . with our faculty's advice.

In Dedication To Mr. Brouillette

The senior class of 1981 would like to have their annual dedicated to Mr. Monte B. Brouillette. Mr. Brouillette has been the guidance counselor at SPHS throughout his 14 years. He has been a terrific help to anyone who seeks his advice. Without him, it would have been almost impossible for many seniors to choose the right college or possible future. We appreciate your concern, Mr. Brouillette, and from the class of 1981, a big "Thanks"!!!





The 1980-81 board of education began with the following people: Beverly Dodds (elementary principal), Todd Speece, James Putman (secondary principal), Lonnie Stewart, John Ringlein (superintendent), John Kasson, James Horky (vice-president), Gerald Bahensky (president), John Ruzicka, and John Shoemaker. After the elections in the fall, several members were changed. Those new members that are not pictured are Richard Herzog and William Stott, Jr.

The administration, J. Putman, J. Ringlein, and M. Brouillette, consider a matter which demands their immediate attention.

The 1980-81 school year saw many changes, beginning with eight new teachers on the SPHS staff. It was an active staff that participated in or attended many extra-curricular activities. Besides the sponsors, other faculty members enjoyed such events as ball games, band and vocal concerts, one-acts and the musical. These shared interests showed the students that the faculty cared about them other than from 8:30 to 3:15. It also helped establish a common ground and a common respect between the two groups.

Some of the other changes included the completion of the new library, cafeteria, and office area. These facilities made life more comfortable around SPHS.

A new lunch schedule was tried in hopes of improving the ease of flow around noontime.

Although coronation was deleted this year, prom proved to make up for it by being one of the best ever.

Gary says, "I came this far. Don't stop me now!"

The times we left behind . . . as seniors. This last year of school quickly approached for the 1980-81 graduates before they knew it. With the guiding hand of their sponsor, Mr. Monte Brouillette, and class officers President Brad Meyer, Vice-President Pam Wissing, Secretary Laura Olsen, and Treasurer Kim Nowak, they charged through the year. The class was active in the homecoming festivities and showed great leadership to all underclassmen in their sports endeavors and all other activities.

For the first year ever, the senior class traveled to Kearney to participate in the KSC Political Forum. The class brought home the passage of two proposals and received the recognition of being the best participating school there.

with our prom preparations.

Once again the class of 1982 pulled through, and now they anxiously await their final year. They all agree that it was a tough but fulfilling year. The class had a great time making a Homecoming float, even though it didn't place. To raise money for prom, the junior class, under the leadership of their class officers:

President Micki Wissing
Vice-President Steve Klinginsmith
Secretary Pam Bahensky
Treasurer Lori Ruzicka

sold magazines and sponsored a dance. Their prom promises to be one of the best ever! The activities planned for that event include a super meal, entertainment provided by sophomores to the theme song "One Step Closer", and a slide show of seniors doing crazy things. Of course, the traditional prom booklets, napkins, glasses and invitations will be handed out. It should be a festive occasion with the Legion Club decorated with flowers, posters, and streamers.

The sophomore class again showed its outstanding ability in exhibiting school spirit by winning first place in both the window and float decorating contests for Homecoming. Early in the year the class elected their new officers for 1981. They were: President Sheila Morse, Vice-President Liana Rose, Secretary Kay Nielsen, and Treasurer Shirley Wissing.

Craig Everett reaches high during a wrestling practice. Six freshmen boys went out for the mat sport and showed great potential for coming years.

Laura Reimers gets in a good bump during an important volleyball game. The SPHS freshmen girls had a 7-0 season. According to their coach, Miss Jacobsen, their winning season could be attributed to outstanding drills and a lot of effort.

The home economics classes did a lot of fun activities throughout the year and did community services. The third period class had Santa and Rudolph visit. The children enjoyed their appearance, especially when they gave out yummy treats. The seventh period class sponsored a talent show for the elementary children. It, too, was a great success.

Other freshmen sports did well, too. Football, with 14 members, ended their season 1-3-1. Girls' basketball made it to finals but were beaten in the last round by Gibbon by three points. Boys' basketball ended with a 5-6 record.

You and I have had some really good times. I still have that scar from where you tackled me in the lockers. Oh well just think that maybe that started a life-time friendship. Then we moved on to our sophmore year and our junior year. You had to be the best. We didn't have real hard classes so we could enjoy school. Kinda! But somehow I decided to make my senior year hard. Oh well I guess that's just

The St. Paul Varsity Cross Country Team did something that no other team in the past could handle. They won a conference second place trophy! They team had an excellent year winning duals, triangulars, and quadrangulars.

The team had an exciting year with the help of "All American" runner, Shane Fruit from Kearney State College.

Coach Schacht commented, "It was a good year since we won some things and got second in a tough conference. I'm looking forward to next year and maybe this will put some zest and tradition into St. Paul Cross Country."

The Cats had more people out than normal. Ted Bahensky, Greg Janky, and Brad Morse were the seniors (who will be greatly missed). Returning juniors will be Bill Jensen and Mike Rawlings. Tim Walsh and Mike Helzer will lead the returning sophomore group. Duane Brumbaugh will be heading the freshmen corps.

SUCCEEDS

At the conference meet, Bill Jensen and Ted Bahensky were medal winners with 7th and 8th place wins, respectively. Greg Janky finished 14th with Mike Helzer and Mike Rawlings right behind with 15th and 16th.

The reserve meet was won by Brad Meyer and St. Paul finished first as Duane Brumbaugh and Tim Walsh completed the first places by coming in second and third.

St. Paul's boys' team isn't the only thing looking bright. Dawnell Owen was the only pioneerswoman out, but she made up for it by working very hard. She placed 8th at the girls' conference meet and ran hard at the state meet. She will be the nucleus for next year's girls' team. Lynnette Jacobs also provided encouragement for the team as student manager.

With all the returning lettermen, next year's Cross Country team just may win it all!

Until 1980-81, the boys' basketball team had not made the district finals for at least twenty-five years. The boys ended their season with a 16-5 record.

They had the honor of becoming the Grand Island Northwest Tournament Champions. They also managed to garner the runner-up places in both the district and the conference. All in all, the boys had a very impressive season.

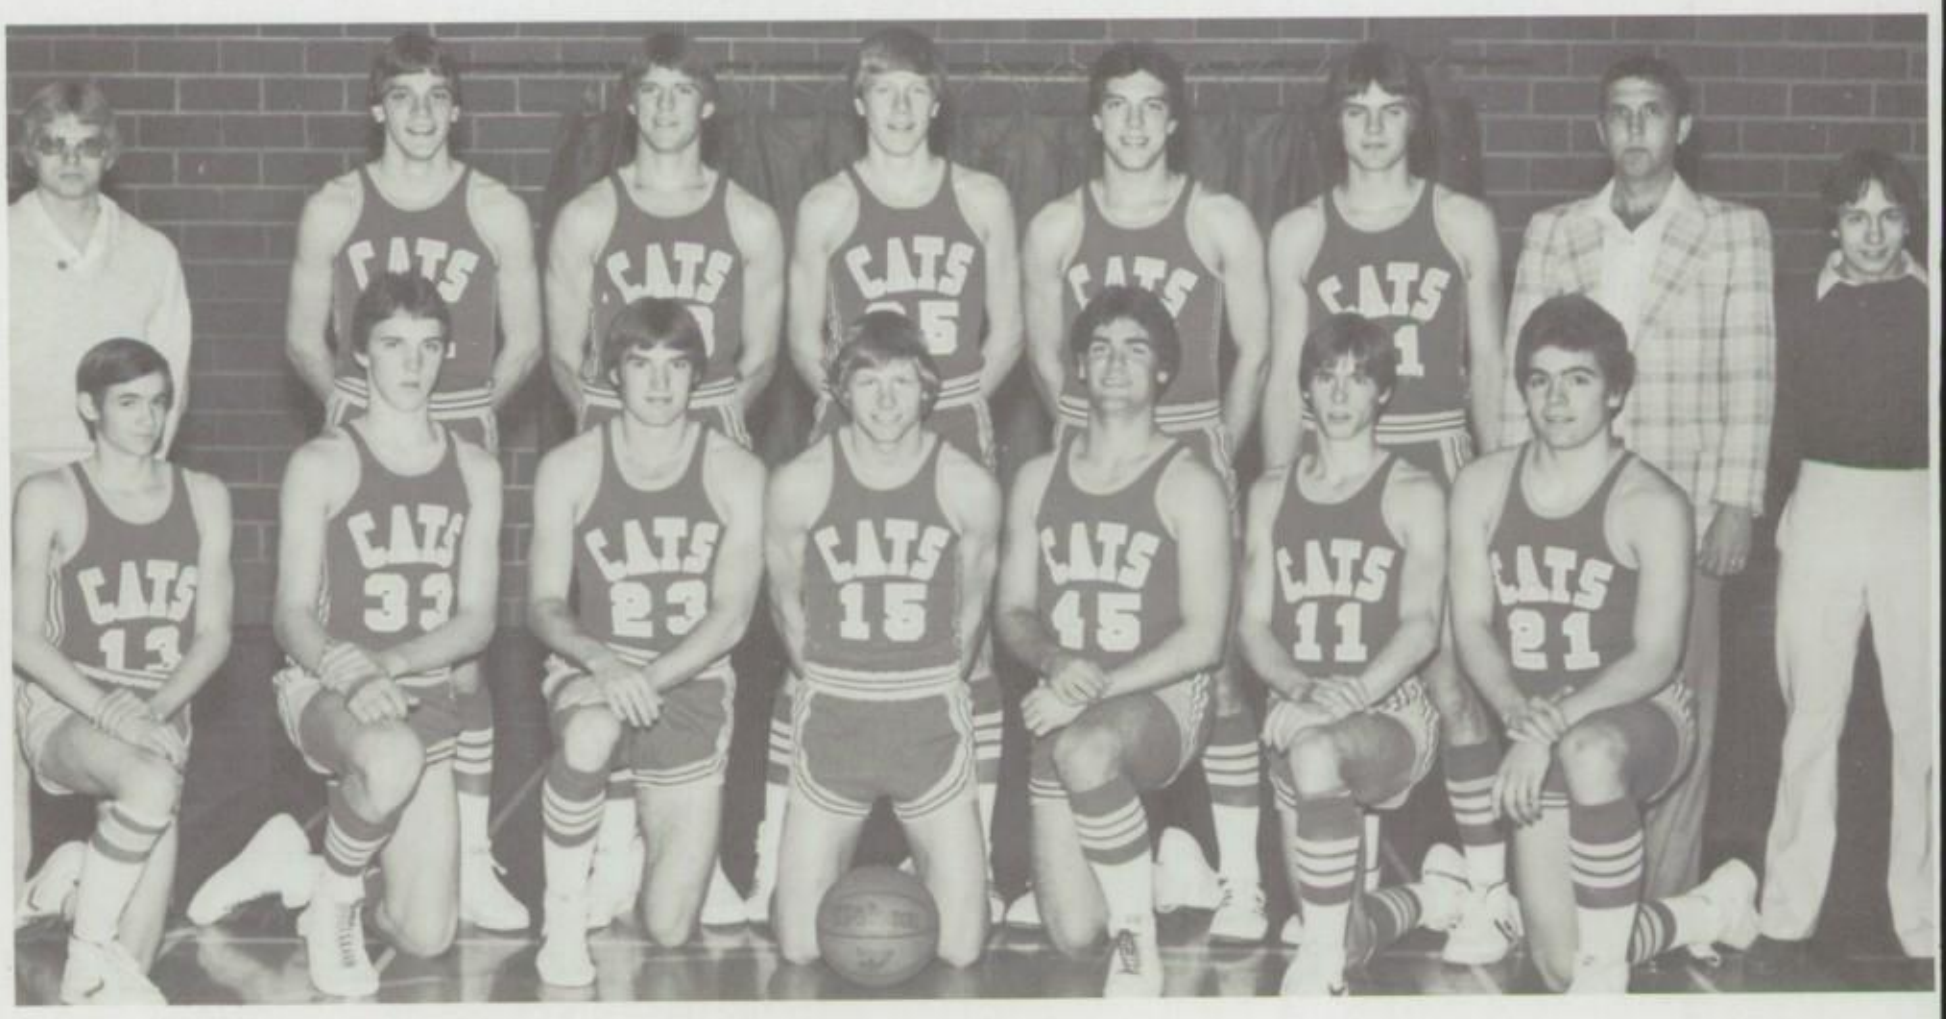
The sixteen wins by the team was the second highest total in the past twenty-five years.



In these pictures we can see that the guys really jumped high, scrambled, and hustled for the ball. There were many outstanding leaders who really helped pull the team together to make for a good season. All the guys should be commended for their hard work and good effort this year.

GIRLS BASKETBALL HIT 'EM WITH THEIR BEST SHOTS!!
The 1980-81 girls' basketball team got a taste of success this year. They ended their season with a 6-10 record.

The team was led by seniors: Lisa Powell, Barb Greenwalt, Lori Schenck, Kim Nowak, and Brenda Gawrych.

Highlights of the season included a first game win over Cedar Rapids. The Lady Cats captured the second place trophy in the Northwest Holiday Tournaments and they also made it to the semifinal round in the District Tournaments in Grand Island.

Individual honors went to Barb Greenwalt, who scored a record 29 points against Central City. Barb was named All-Conference and All-State Honorable Mention. Lori Schenck also received All-Conference Honorable Mention.

Mr. Crouch summed up the season by saying, "This season was a very satisfying one for the team because of our district success. We also had the most successful season enjoyed by the girls' basketball teams at St. Paul for several years."

The 1980-81 wrestling team had a job of rebuilding ahead of them for the year. The group out for the sport was young, but had some good leaders. Don Barleen, according to the coaches, was a steady, aggressive competitor who promises a bright future. He placed third in the state as a sophomore and made fourth this year with a 26-2 record.

Another team member who finished his year at the state tournament was Dave Reimers. He was another dedicated wrestler who has done much for the team. His season ended with a 20-5 record.

The prospects for the team look bright for the future. Although they'll lose three seniors, the coaches were quoted in saying, "If we can keep a 3-3 dual record we can look for many good things to happen next year with all the young talent we have coming up."

The St. Paul Boys' Track Team had a successful year in 1981. The team qualified six people by showing some fine effort, culminating in a fifth place spot at the district meet in Lexington. This is a real accomplishment as St. Paul is in one of the toughest Class B districts in the state. Those going to state were Tim Jacobsen, Robert Hammack, Tim Wolsleben, Rick Jarecke, Jon Christensen and Greg Janky.
Jon placed fourth in the 800 meter run (1:59.28) and fifth in the 1600 meter run (4:33.17) at state.
Greg placed sixth in his specialty, the triple jump, with a distance of 44'3".

GIRLS TRACKSTERS EARN TROPHIES!

The Varsity Girls' Track team experienced a successful season this year. The girls came home with two second-place trophies. They received their first of the two at the Burwell Invitational and earned their second one at the Wood River Invitational.

Many records were broken during the season and Dawnell Owen finished second in the mile run at districts. This finish earned her a trip to the state meet in Omaha.

The outlook for coming years is very promising. The young girls are full of talent and they should go far.

"Look, mom, no hands," says Lynn Rose.

Evelyn says, "It went that a way."

"I told you I know how to swim!" says Mary.

"Don't you just love my style?" asks Liana.

Sue tells us that concentration has to be the key to doing this.

Tim,
THANK God we are finally

As these pictures show, St. Paul had many students who were active in sports. A greater emphasis on keeping one's body fit can be seen at all levels throughout the school. The teams all put in a lot of hard work and good effort. These things, along with their attitudes and good sportsmanship, helped make the school proud of their athletes.

The FHA had a very successful year in 1980-81. They did various community projects and won several awards at meetings. The FHA and the home economics classes are filled with active people who do things to help out others, even though they don't always get much recognition for it. They have showed this year that they do more than just cook and sew. Other fields of interest were explored, and all involved had a good time in the various activities.

The FHA, accompanied by Mrs. Hanna, got to take seven members to the convention in Lincoln during the Spring. Those members were B. Gawrych, S. Klinginsmith, J. Placke, D. Barleen, S. Stepanek, R. Kulwicki, and K. Gawrych.

People who liked to sing really got into the swing of things this year. Various groups had the opportunity to perform around town, and many people came to the spring concert and musical to hear the voices singing out. The songs, rather peppy or slow, were all well-performed and were a treat to the listeners.

The 1980-81 cheerleaders were chosen in the spring of 1980. They were Lori Jepson, Barb Greenwalt, Lynn Rose, Kim Nowak, Dawnell Owen, Lori Ruzicka, Teresa Ringlein, and Shirley Wissing.

The squad attended ICF cheerleading camp at Doane College where they placed fourth in overall competition. This year the girls came up with many interesting and entertaining skits. Most people thought the best one was when they were all decked out in the 50's styles.

This was the girls first year without a pep club, but the girls gave it their all and did an excellent job.

Is this supposed to be 1980? Kim and Dawnell show their school spirit during the Homecoming rally on Main Street.

Lynn tells Shirley, "I heard all the cheerleaders do it."

The cheerleaders from left to right were Lori Jepson, Lori Ruzicka, Lynn Rose, Kim Nowak, Barb Greenwalt, Shirley Wissing, Dawnell Owen, and Teresa Ringlein.

The 1980-81 Drill Team had a successful and fun year. The captain of the team was Lisa Mostek and the co-captain was Laura Olsen.

The other members were as follows: Shelly Stepanek, Rhonda Palmberg, Sheila Verley, Stacie Stott, Renee Kulwicki, Laura Olsen, Julie McClellan, Sally Wall, Lisa Mostek, Elaine Pflepsen, Mary Jane Gillham, and Mary Wall.

"Left, right, left, right."

The Drill Team "really moved" through the 1980-81 school year. The 12 member squad gave extra pep to the half-time intermissions of eight home basketball games and performed, to the delight of everyone, at the annual football parents' night. Earlier in the year the squad also marched in the Homecoming Parade, adding to the spirit of the day.

Looking toward the future of the drill team, the group sponsored their second annual clinic. Because of this, girls in the fifth through ninth grades received a better perspective of what the organizaiton is all about while they had fun learning some routines.

STUDENT COUNCIL STRIKES AGAIN, Vice-President T. Peters, President P. Wissing, Secretary Holly Townsend, Historian D. Scarborough, J. Christensen, L. Lukasiewicz, Mr. Schmaljohn, M. Wissing, S. Stott, S. Harrahill, R. Kulwicki, L. Rose, S. Wissing, G. Ewers, T. Scheer, J. Jacobs, C. Everett. L. Rose is not shown.

The Student Council did some interesting things throughout the year. They put on a skit at the Christmas Convocation called "The Night Before Christmas" which featured an interesting Santa Claus, some odd reindeer, and a nice, normal family.

The Student Council also sponsored a film festival, which was a big success by everyone enjoying THE LITTLE RASCALS and getting scared out of their wits by TALES FROM THE CRYPT.

The group also sponsored several other events, such as a talent contest. All in all, it was a good year for the Student Council.

The Student Council was honored at Award's Day and the new members were announced at that time. It looks like it'll be a good group again next year.

Thespian President Lisa Mostek summed up the Thespian's year by saying, "I feel we had a very successful year, and we also had fun in everything we accomplished."

The spring musical this year told the story of the citizens of Dogpatch, U.S.A., a poor, unnecessary community. Everybody tries to find something useful in Dogpatch to save the town from a bomb. Other Scraggs were Brett Everett, Gina Keller, Lara Tieszen, Jeff Hausmann, Tracy Krzycki, and Dave Greenwalt.

Many other people helped during the performances and the three months of practice that went into this musical. The orchestra, committee people and directors should be commended for their hard work and fine job.

Junior-Senior Prom

The 1981 Junior-Senior Prom, which was held on May 1, had the theme of One Step Closer.

The activities began at 6:30 with a scrumptious meal of steak with all the trimmings.

During the meal, everyone was welcomed by junior class president, Micki Wissing. Then Lori Ruzicka read a memoriam to Alan Mamot. Then a poem about friendship was read.

After everybody was served, a slide presentation featuring the seniors was shown. The pictures illustrated the seniors doing their things during a normal, crazy school day.

The traditional glasses were passed out before the dance began. Music was provided by ERIC'S DIONYSUS DISCO. Everyone boogied down until the sophomore waiters and waitresses did a routine to the song ONE STEP CLOSER. Those performing were Deb Bogus, Liana Rose, Shirley Wissing, Marcia Olsen, Mitch Stoltenburg, Dan Harrahill, Daron Mamot, and Jim Placke.

Everyone waits patiently for the food to arrive.

Mitch tells the others, "It takes muscles to carry those plates."

Left, Right, Left, Right . . . One, Two, Three . . . One, Two, Three!

Everyone enjoyed the good meal that the juniors had for Prom.

It's a jungle out there!

Shirley smiles as she serves the guests.

The Legion Hall was filled to capacity with hungry people until the food was served. Everyone had a good time, and the music was great. Even the teachers and other faculty members had a good time eating and dancing.

The junior high award's convocation was held during seventh period May 6. Certificates and letters were handed out for those participating in the various sports. Many of the coaches commented that they were pleased that so many junior high students went out for sports because they are the feeder program for reserve and varsity sports. The junior high had some very good athletes this year, making the prospects of sports in the future very bright.

AWARD'S DAY: On May 8, 1981, Award's Day was held in the gymnasium. Many letters and 35 scholarships were given out.

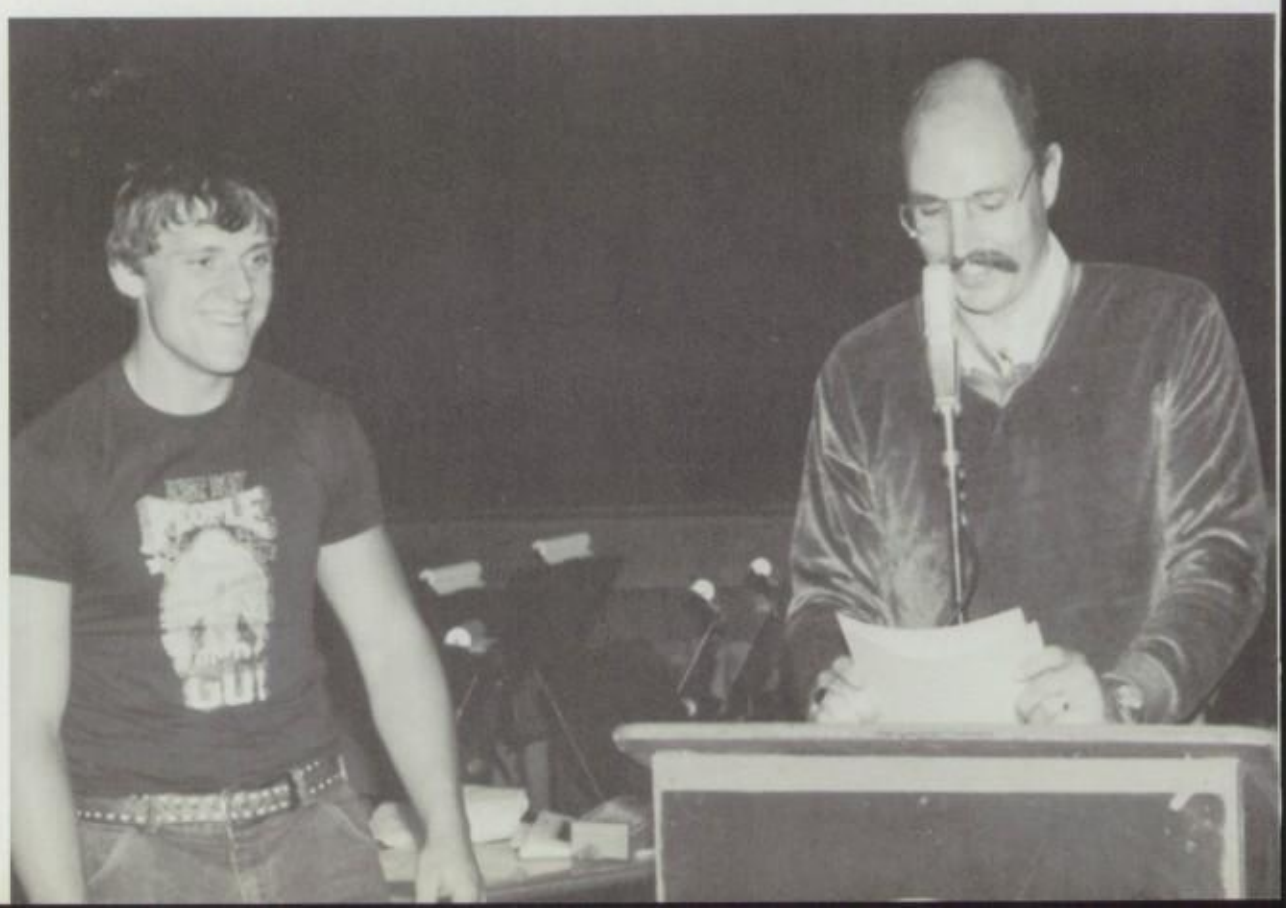
Mr. Putman had the honor of giving the prestigious Babe Ruth award to Kim Nowak and Rick Jarecke.

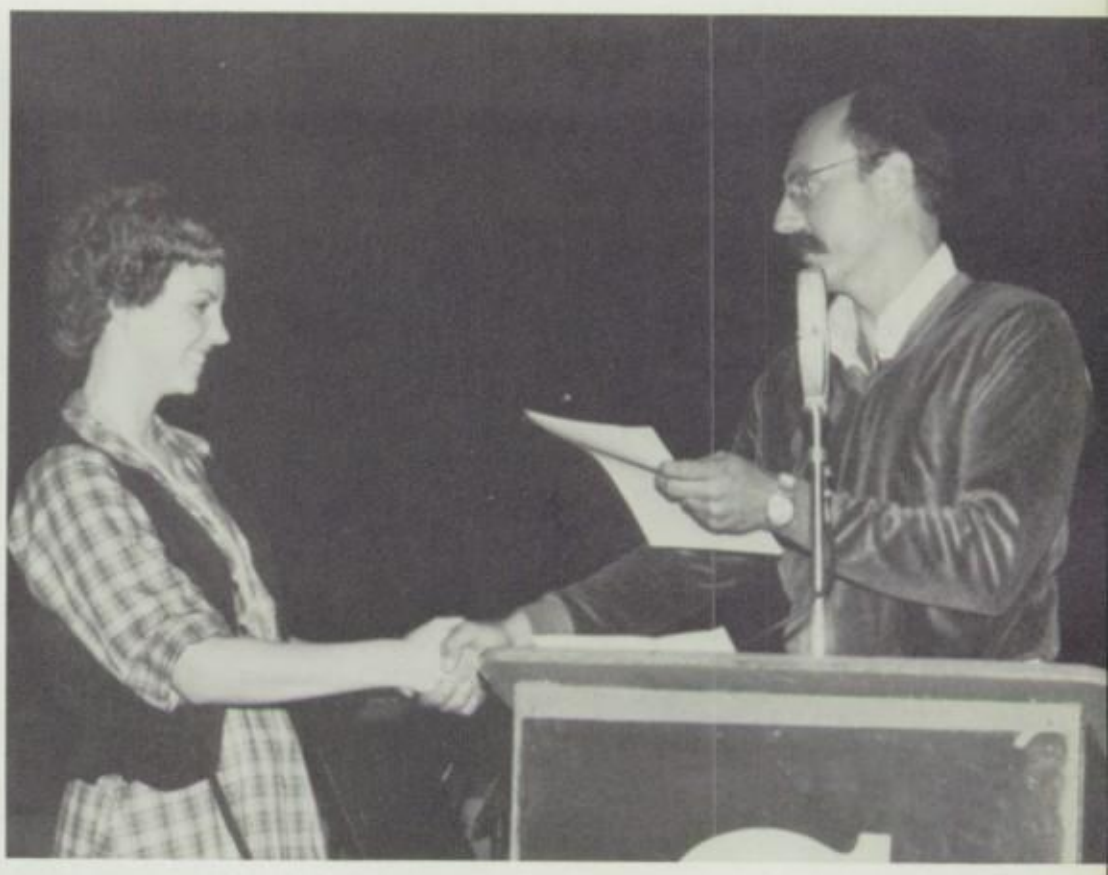
Mr. Brouillette, after receiving an award for the annual dedication, gave out many awards and scholarships. He noted that the class of 1981 should be proud of its achievements in both sports and academics.

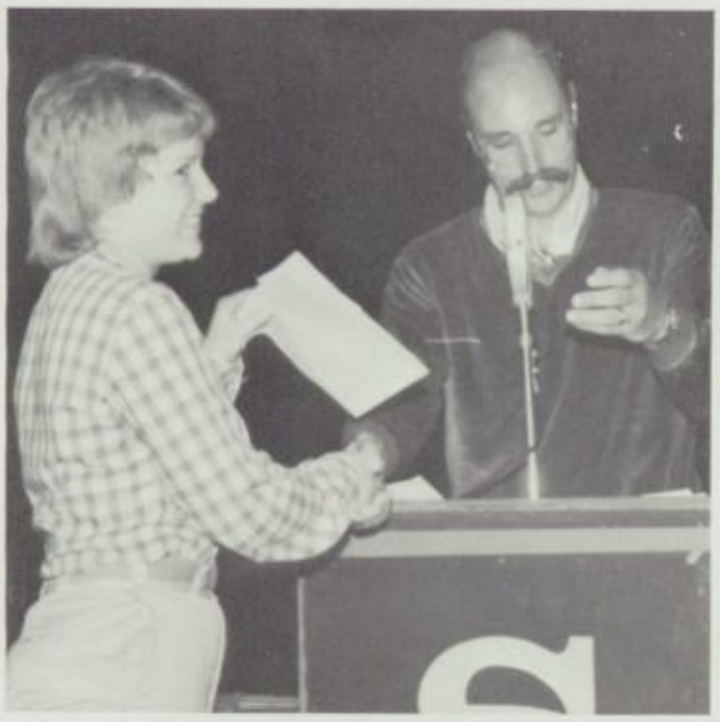
Other than scholarships, certificates were awarded to members of the National Honor Society, National Athletic Honor Society, FHA Encounter Awards, Drill Team, Cheerleaders, Band, Conference Choral Clinic, Thespians, Business Awards, Annual Staff, Student Council, and math awards.

Julie Blaha received an award for doing well in beginning typing.

Dave Reimers was given special merit for helping further the athletic program of the school by all his time and work with the weight lifting program.







The American Legion Post 119 Commander, Galen Falk, presented a scholarship to Jeff Christensen.

The Bausch and Lomb Honorary Science Award, given by Mr. Gaston, went to Lori Jepson.

Carl Wolinda, a famous tightrope walker whose rapid decline put a sudden halt to his career, was the honoree of the Carl Wolinda Look-Alike After He Fell Award. This coveted prize went to the one and only Rex "Gibby" Gibson.

Mike Holomek received the science award for placing fifth in biology and eighth in chemistry at the Platte Technical Community College competition held in Columbus in March.

Class Motto

If you can imagine it, you can achieve it;
If you can dream it, you can become it.

The Times We Left Behind . . .

The amazement, the joy, the sadness. It was all there. Many cried as Linda presented Cristina a class ring as a momento of her stay here.

with our graduates.

Many seniors lingered around before and after the ceremonies, taking one last chance to say good-bye to the alma mater.

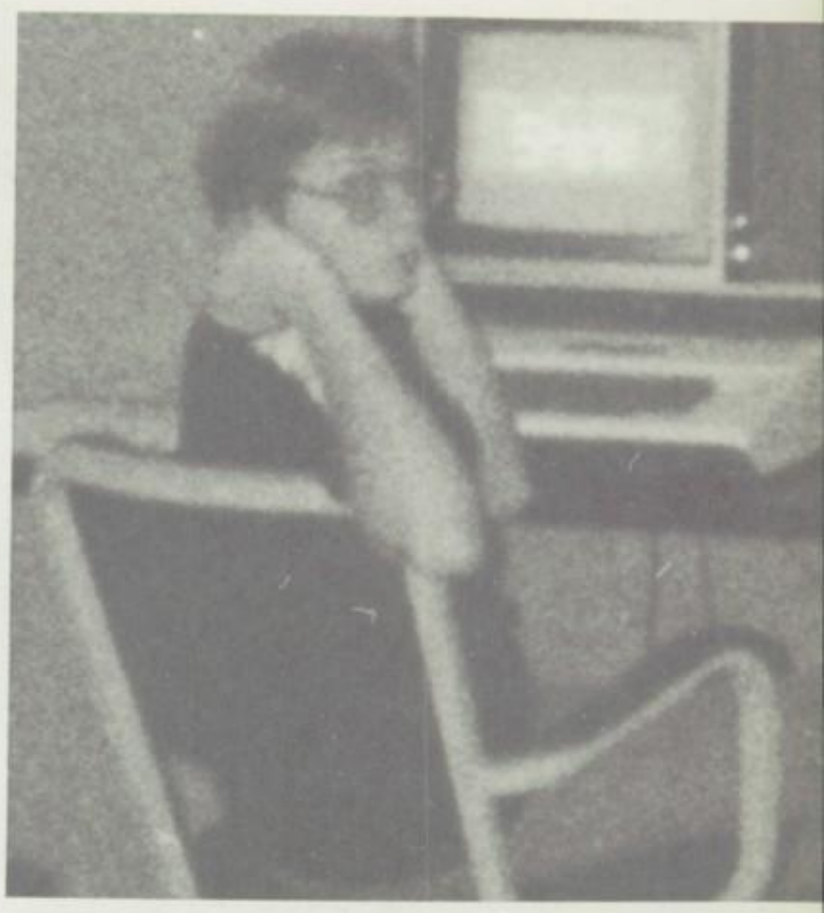
But, it was a happy occasion. The smiles on the faces of the graduates expressed what they were feeling. And the smiles on the faces of their parents beamed proudly, too. Many had wondered where the school year had gone. What are we to do next? Well, as the class motto says, "If you can imagine it, you can achieve it: If you can dream it, you can become it."

SPHS STUDENTS EXCEL

Heather Olsen receives a plaque from Mr. Putman for being recognized by the National Merit Scholarship Corporation. She scored in the top five percent of the nation on the National Merit Scholarship Test. Of the more than one million students nationwide who took the test, Heather finished among the top 33,000.

The junior history classes vote each fall to send "elected" officials to county government day. The people are briefed by their respective civil servants in order to better understand that profession. Then a mock trial is held in which the students can see the real-life aspects of various jobs.

Among those who attended were P. Reed, S. Stott, J. Greenwalt, S. Harrahill, R. Synowski, J. Olsen, C. Jorgensen, D. Barleen, K. Preisendorf, B. Morse, and Mr. Crouch. Others are not shown.



The freshmen show some of the crazy things they've done throughout the year. These pictures show that even though they're not always acting on stage, they're real characters.

The sophomores received their share of recognition at Award's Day.

The junior high band had a very successful year in 1980-81. For some of the members this was their first year on an instrument. They all tried hard and put in a lot of effort to make some music. The members practiced hard for the Homecoming parade which they marched in, shining out in their blue and white uniforms, showing their school pride and spirit. Then the group performed at the Christmas program. They played several favorites and some new selections, much to the delight of all listening. The spring concert was the highlight of the year as they were in tip-top shape that night.
